

COME BE A PART OF THE FIRST CARIBBEAN
CELEBRATION OF WOMEN IN COMPUTING.
FEBRUARY 26-27, 2014
PUERTO RICO

The Time is Now!

Talks, panels, presentations, activities for:

- ❖ *High school student*
- ❖ *Undergraduate and Graduate Students*
- ❖ *Women in Academia an Industry*

ALL are welcome to participate

The first Caribbean Celebration of Women in Computing (CCWiC 2014) will be celebrated in the island of Puerto Rico. Women from academia, industry, university, and high school will gather together to celebrate their accomplishments in computing related areas.

How can I participate?

- ▶ **High school students** – Compete in the aspirations in computing

award sponsored by the National Center for Women in Computing (NCWIT) or just come and see what computing is all about.

- ▶ **University students (grads and undergrads)** – Come and present your research work in a poster session. Propose panel or talk.
- ▶ **Women from Academia and Industry** – Propose panels or talks of interest to other women.
