Eng. Ángel L. Pérez Galarza
Vice President

Eng. Ángel Pérez Profile

Mr. Pérez earned a master's degree of Business Administration with high honors from the University of Hartford, Connecticut, and a Magna Cum Laude bachelor's degree in Computer Science Engineering from the University of Puerto Rico, Mayagüez Campus. In addition to his current role as VP of Rock Solid, he is deeply committed to several non-profit organizations; such as the International Association of Microsoft Certified Partners, "Yo Limpio a Puerto Rico", the Puerto Rico Manufacturers Association, Grupo Guayacán, and the Foundation for Puerto Rico.

With his extensive background in technology and management, Perez leads the Sales & Marketing division and is in charge of the global strategic sales to government customers by delivering solutions that enable governments to provide citizen-centric and innovative services to their constituents.
