RULES IN CLASS:
• Students are not allowed to leave the classroom during class except in exceptional circumstances.
• Exam attendance is required unless you have a medical excuse or equivalent documented emergency.
• Class attendance is required. You are expected to arrive on time to class. I reserve the right to lock the door after 5 minutes of class start for the benefits of the other students.
• Dishonest behavior, as commonly understood, which includes exam cheating or plagiarism, will result in at least a zero for the item, and for an aggravated incident, failure in the course and initiation of University disciplinary action. In research, you expect to build on others’ work, but it should be very clear what is yours and what is theirs, clearly referenced or acknowledged.
• If there is a conflict with my Office Hours => schedule by appointment.
• No beepers and/or cellular phones are allowed during exams, and their use during classes should be limited to emergencies. Leave the room if the need to use it arrives.
• No baseball caps allowed during quizzes or exams.
• No “special” projects will be given to anyone to improve grades or for any other reason.
• Disabilities: Reasonable accommodations will be coordinated in accordance with the needs of the student.
• Read your email frequently: I communicate announcements like quiz cancellation and changes by email.
