

Undergraduate Research Workshops

ECE Department, UPR, Mayagüez Campus

Sponsor: Computing Alliance for Hispanic Serving Institutions (CAHSI)

Presenter: Nayda G. Santiago, ARG Hub Leader

Fall 2011 ARG Workshops

As part of the Computing Alliance for Hispanic Serving Institutions (CAHSI - cahsi.org), we are offering a series of seminars for students to develop their research skills. We invite interested undergraduate students as well as graduate students to participate. Both INEL and ICOM students are welcome.
